The Communion of the People

Music during Communion:

If With All Your Hearts (from Elijah)

~ Felix Mendelssohn ~

The practice of intinction (dipping the wafer into the wine) is a practice that we discourage. We offer communion in both kinds bread & wine. Receiving bread and / or wine is receiving the fullness of the eucharist. A common practice for acknowledging the cup without receiving – is to reverently touch the base of the cup when it is presented. An alternative is to simply cross your arms on your chest when offered the chalice.

Prayer after Communion:

Together let us pray,

Source of all goodness,
in this eucharist
we are nourished by the bread of heaven
and invigorated with new wine.
May these gifts renew our lives,
that we may show your glory to all the world,
in the name of Jesus Christ the Lord. Amen
