

Feb. 11 Intercession ~ Transfiguration Sunday

*God's glory shows.*

Let us pray to the God of glory, revealed to us in his Son, Jesus.

The congregational response, as printed in to-day's bulletin, is:  
Let us worship the Lord; **in the beauty of holiness.**

Gracious God, lengthen and deepen our attention span as we, your people, listen to your beloved Son, so that we do not fail to hear his will for us or share his longing for the world to be saved. (pause)  
Let us worship the Lord; **in the beauty of holiness.**

Loving God, with such humility you entered the world to save it through love's giving; increase our desire to enter into one another's suffering and hardship, to share the world's resources fairly with one another and recognize all humanity as brothers and sisters. (pause)  
Let us worship the Lord; **in the beauty of holiness.**

Holy God, let us not take one another for granted, but wake each morning ready to notice the Christ in each person we see and speak to; and reverence your hidden presence in all creation. (pause)  
Let us worship the Lord; **in the beauty of holiness.**

Loving Lord, in our prayer we stand alongside all who are too weak to pray, or too confused; may all who are suffering sense your love and comfort, and be given strength to persevere, and peace of mind and spirit. (pause)  
Let us worship the Lord; **in the beauty of holiness.**

Heavenly God, thank you for providing always the encouragement and inspiration we need for the work you would have us do; give us the grace to trust your will for us and walk forward boldly in your company.

**Merciful Lord, accept these prayers for the sake of your Son, our Saviour Jesus Christ. Amen.**
