

# GIVE OR TAKE ?

In his letters to early Christians, the apostle Paul gives loads of good advice, still helpful today. But is *this* really part of it?

## LOGGER VEHICLES FAVOURED.

### Today's lessons:

Deuteronomy 8:7-18 Before entering the Promised Land, Moses admonishes the people always to remember whom they have to thank for all the good things they have now.

Psalm 65 It is God who makes the world a place where life is good.

2 Corinthians 9:6-15 Paul (who is collecting money to be sent to the Christians in Jerusalem who are going through hard times) encourages the Philippians to give richly because that is what God himself does and what he wants us to do.

Luke 17:11-19 When Jesus heals ten people from leprosy only one of them – one of the despised Samaritans – comes back to thank Jesus.
